

## Boardwalk

This easy to make 58" x 58" quilt goes together quickly to make a surprisingly intricate design. Easy to enlarge, too. Just make more blocks, or add sashing! Instructions assume a 1/4" seam allowance.

(6) strips 3 1/2" wide by the WOF (width of fabric)

2/3 yd Oceanside

(6) strips 3 1/2" wide by the WOF

1. Sew the 3 1/2" wide Sand strips to the 3 1/2" wide Oceanside strips. Press toward the Oceanside fabric. Make 6 sets. Cut those sets into (32) 6 1/2" x 6 1/2" squares. (Block A)

Block B

4. Cut the remaining Sage strips into (32) 3 ½" x 6 ½" rectangle units. Sew these rectangles to the two-part blocks you just made as shown in Figures 4 and 5. Press toward the Sage rectangle.

Block C

Press toward Block B

5. Sew these blocks to the blocks you made in Step One. Note that the color placement of the Step One block alternates. (Figures 6 and 7) Note the alternating pressing directions.

Press toward Block A

6. Sew these blocks into groups of four as shown in Figures 8 and 9. Because of the way you pressed your seams, they should lay next to each other at each intersection, which reduces bulk. Press and square up to 12 ½" if necessary. Arrange these blocks in four rows of four blocks each, rotating each block to match the design on Page 1 - or create your own design!

7. Measure your quilt top through the center vertically. Cut two of the 1 ½" wide pink border strips to this measurement. Sew it to the sides of the quilt top, matching the center of the top with the center of the pink border strip. Press to the border. Repeat for the top and bottom border strips.

8. For the outer border, measure your quilt top through the center horizontally. Cut two of the 3 ½" wide pink chocolate border strips to this measurement. Sew it to the top and bottom the quilt top, matching the center of the top with the center of the pink chocolate border strip. Press to the border. Repeat for the side border strips.

9. Give the quilt top one final pressing and - you are done! This is a great quilt to use to practice your stipple quilting. Enjoy!
