

Floating Star Block

All blocks require two colors. One color for the star and one color for the background. Cut according to the chart below:

9 ½" x 9 ½" Finished 9"	1 – 3 ½" x 3 ½" 8 – 2 ½" x 2 ½"	8 – 3 ½" x 3 ½"

Steps:

1. Draw a diagonal line on the wrong side of 8 small star cuts. Place one small square on one background square matching edges as shown in picture then sew on line. Press and trim to ¼". Repeat with a second small square on the opposite corner of the background square.

2. Repeat for 3 more background squares.
3. Arrange the steps 1 and 2 squares around the large star square then add remaining 4 background squares to make 3 rows. Sew the rows and press.

4. Sew the rows together to make a nine patch
